1. WILLIAM¹ BRIDGES was born Abt. 1700 in Prince William Co., VA, and died December 31, 1743 in Prince William Co., VA. He married UNKNOWN.

Notes for WILLIAM BRIDGES:

William Bridges (of Prince William County, VA) whose will is dated December 31, 1743, bequeathed to son, William (b. 1726), two-thirds of his estate, and his daughter, Mary, was given one-third. William's wife (name unknown) apparently died after 1781. The will does not name all of his sons, but later records show there were at least six sons:

William b. 1726 m. abt. 1745 in Virginia to Unknown. He lived on 132 acres near the mouth of First Broad River in Rutherford County (now Cleveland).

Thomas m. August 10, 1772 Ann Lashley in Granville County, NC. They had no children. Thomas died about 1781 in Camden District, Kershaw County, SC. His mother was still living. The widowed Ann married Vierdham Green before may 15, 1799. Ann died prior to 1804 with no heirs.

Benjamin; It is thought that Benjamin remained in VA.

Joseph; The known children of Joseph Bridges include three sons: Benjamin b. 1750-55, d. 1824 in Greenville County, SC; Thomas and William Bridges.

James (m. abt. 1764 Lydia Lashley. She died abt 1804). James purchased land in Mecklenburg County in 1765. In 1767 he received a state grant on Bullocks Creek in or near York County, SC. James, Thomas and John settled on Buffalo Creek in York County, SC. He died abt. 1792. James' children include: Richard James Bridges, b. 1774, d. July 11, 1816, bur. Buffalo Baptist Church in Cherokee Co. He was shown in an 1802 deed to be a resident of GA, and in an 1803 deed to be a resident of Spartanburg Dist, SC.; Susanna, who married James Elmore.

John; According to 1800 census he was born prior to 1755. His known children include two sons, and perhaps a third son: Thomas, William and possibly Edmond who m. Abigail Unknown.

Generation No. 2

2. WILLIAM² BRIDGES (*WILLIAM*¹) was born 1726 in Stafford or King George Co., VA, and died Abt. 1801 in Rutherford County, NC. He married CATHERINE UNKNOWN Abt. 1745 in VA.

Notes for WILLIAM BRIDGES:

The research of Nancy Harvey indicates it is highly doubtful that the William Bridges who is found in Rutherford NC is the son of the William Bridges who died 1743 in Prince William County.

It is far more likely that this William Bridges died in Spotsylvania County, Virginia leaving a will (I do not recall date but it was in later 1700's). He had married Amy Bayne, daughter of Matthew Bayne, Sr., who mentions Amy Bridges and her son Mathew in his will written 1769 Westmoreland County. Mathew Bayne is the man who bought land from William's father William in 1720's.

After William's death Amy sold his Spotsylvania land and her living children signed the deed. You can find William Bridges jr. in Westmoreland and Richmond County court orders choosing his guardian and arranging his apprenticeship. Later William and Amy can be traced in land records.

Another set of Bridges moved to North Carolina from Prince William--5 brothers the sixth Benjamin remaining in Prince William and I think some of your information may be about them. Do not believe their parents were ever proved but they are likely the children of the William Bridges who left a will c. 1726 in King George and a widow Ann. Unfortunately the will is no longer extant but the records reference its administration. While these 2 Bridges families may have been related no relationship has been found. The William who died in Prince William in 1743 had only recently moved there from Westmoreland County. In late 1730's records indicate he was married to Elizabeth Metcalf, however it is not known if she was the mother of his children. She had been married before at least once and had a daughter Ann. William 1700-1743 parents were William Bridges and Elizabeth Pierce. He had one sister Mary. After William's father's death in early 1700's the widow Elizabeth married Nathaniel Pope and had a daughter Elizabeth Pope. It is this daughter's 2nd husband who is named in William Bridges 1743 will as one of its executors.

--I have done lots of research in the original Westmoreland Records trying to find the origin of my ancestor John Bridges d. 1826 Loudoun County Va who is mentioned in several Westmoreland County Wills in 1760's. Never was able to find anything to prove he was related to William 1700-1743 but it has always seemed a possibility. --Nancy Harvey, email address: Npharv@aol.com

Subject: Re: Lattimore Pix

Howard,

Thank you so much for responding to my email. What pleasure my sister and our girls have had emailing your pix and remembering our ancestors!! We feel like we have come upon such a treasure!!

Since Sarah and I were born and raised in White Plains, NY, pretty much our only contact with our southern relatives was through annual trips made to see Grandmother Greene and our Aunt Janie. We have many fond memories of Easter Egg hunts in their yard, riding mules at (I think!) your dad's place and visiting Double Springs Baptist. I always remember Dad referring to Dufaye a lot. We were a lot closer to my Aunt Janie's family than Olin's. Probably because we always visited at their home where Grandmother was living.

If it's not too much trouble, I would love to have the following pictures downloaded and then, hopefully, can order copies:

I find it interesting that you said dad was interested in the family tree!! To my knowledge, I don't ever remember him referring to that sort of thing and thus, we don't have any family background in our hands. In fact, I can't even remember who's dad's grandparent's are. I wish we had been able to have more information like this. My mother, while living in Shelby, got the notion to gather her genealogy and eventually traced her roots to DAR. So, I have some of that info.

To fill you in on dad and our family the story is:

My dad and mom retired to Shelby from White Plains, NY in 1975 (you may have known this). In 1991, my mom died and dad continued to live in his home (150 Country Club Circle) until 1995 when he started with (probably before!) dementia. We moved him to Shelby Manor where he stayed for several months before it became necessary to move him closer to us in Charlotte. We placed him in Lakeview Assisted Living in Pineville. My husband and I moved to the Mooresville area in 1998 and at time we brought him to Huntersville Oaks in Huntersville. Dad remained there until he died Feb. 22, 2002 at age 91.

To help complete your family tree on our family:

Martha Anne Greene (7/11/41) married Jack Carson Packard (1/24/40) August 18, 1963. We have two daughters:

Deborah Anne Packard (10/24/66) married Richard Grey Shutt (9/12/58) August 3, 1991. Children: Allison Elizabeth Shutt (8/18/93) and Carson Alexander Shutt (2/12/96). They live in Mooresville.

Elizabeth Anne Packard (7/14/69) married Cecil Benjamin Arnold (1/29/56) July 23, 1994. Children: William Benjamin Packard Arnold (9/12/99) and Jackson Stephenson Hagan Arnold (4/12/03). They live in Lexington, KY.

Sarah Elizabeth Greene (1/30/45) married Richard Alan Goldman April 16, 1972. Lives in Chelmsford, MA. Children: Rachael Ann Goldman (1/4/75) married Richard Gorbutt October 12, 2003. Live in DC. Leah Russell Goldman (10/25/77) married Daniel Sarantopulous August 20, 2005. Live in Columbia, SC

That's it for our family!!

I can't thank you enough for your help and information. Please feel free to contact me at 704 892-0912 if I can be of further assistance. Mailing address: 125 Davidson Ridge Lane, Mooresville 28115.

Sincerely,

Martha (new found cuz!)
